ABOUT THE EVENT

The Starry Night Gala is Rising Starrs' highest profile event of the year. The evening consists of cocktails, music, dinner, dancing, live and silent auctions, and more. Our audience is made up of mostly of the Fairfield and Westchester equestrian communities. Our fifth annual gala will take place on September 8th, 2023 at the rescue.

ABOUT US

Rising Starr Horse Rescue is a 501c3 non-profit organization founded in 2015. Our mission is to rescue neglected, abandoned and surrendered horses and to responsibly rehabilitate, retrain, and adopt them out to fully vetted, loving homes. We follow our horses for the remainder of their lives to ensure that they never end up in harmful situations again. Our 40 acre farm which spans both Wilton, CT and Lewisboro, NY has a 30 stall barn, six paddocks, seven grass fields, and two large arenas (one indoor and one outdoor). We have grown from being able to save one horse at a time to having the potential of saving 38 horses at a time. To date, we have rescued and rehomed approximately 135 horses.

BENEFITS OF SPONSORSHIP

As a thriving non-profit growing in the heart of Fairfield County, our networks connect to thousands of animal enthusiasts locally and nationally. With more than two million horse owners in the US alone, and even more enthusiasts, partnering with Rising Starr Horse Rescue has the potential to open your brand to new markets locally and nationally. We have built a unique audience of followers through our digital presence on our website and across various social media platforms.

OUR IMPACT

Rising Starr has rescued and rehomed well over 100 horses. We follow our horses for the rest of their lives to ensure they never end up in a dangerous situation again. We educate the public about at-risk horses and about the reality of horse ownership. Additionally, we partner with StandFast Alliance and offer all of our programs free of charge to Veterans and First Responders.

By giving America's horses a second chance at life, we give the community the opportunity to experience the love, patience, and compassion horses have for humans.

"For every person who walks through here, if they can tell two or three people about the plight of America's horse, I think we're going to make a bigger impact than as many horses as we can rescue."
